Worm Composting

w/ vermiculture expert Jock Robie

The last of three teaching visits Jock is making to Unity. This workshop is a good opportunity to setup a new bin, ask questions, pickup supplies, and meet others interested in using worms to make compost from kitchen scraps!

Wednesday 3/21 at 6 pm at VRFP

180 Depot St., Unity

Class is free; supplies available for purchase

The Volunteer Regional Food Pantry Education Program is made possible by VRFP volunteers and the support of Unity Barn Raisers and Veggies For All
